San Jose, CA — July 27, 2023 — **Heritage Commerce Corp (Nasdaq: HTBK)**, the holding company (the “Company”) for Heritage Bank of Commerce (the “Bank”), today announced second quarter 2023 net income increased 11% to \$16.4 million, or \$0.27 per average diluted common share, compared to \$14.8 million, or \$0.24 per average diluted common share, for the second quarter of 2022, and decreased (13%) from \$18.9 million, or \$0.31 per average diluted common share, for the first quarter of 2023. All results are unaudited.

“We are pleased to report excellent operating results for the second quarter of 2023, achieving record earnings not only for this quarter but also for the first six months of the year,” said Clay Jones, President and Chief Executive Officer. “Our profits have shown a notable 28% increase compared to the first six months of 2022. This growth is attributed to the expansion of our loan portfolio, increased deposits, higher net interest income, and improved efficiency.”

Mr. Jones further acknowledged that as clients sought higher yields on their deposits, there was an anticipated shift towards interest-bearing deposits. While this shift affected margins during the period, it reflects the Bank’s responsiveness to client preferences and demonstrates the commitment to meeting their financial needs.

“Our credit quality remains strong, with only a minor increase to nonperforming and classified assets,” said Mr. Jones. “We remain confident in our allowance for credit losses with respect to our loan portfolio, as our reserves represent 863% of nonperforming loans and 1.45% of total loans.”

“Looking ahead to the second half of the year, we remain confident in the Bank’s well-positioned balance sheet, with an emphasis on strength, stability, and liquidity. With a well-diversified and stable deposit base, along with abundant alternative funding sources, we are successfully navigating the current challenges within the banking industry,” stated Mr. Jones.

Mr. Jones conveyed his gratitude to the loyal clients, dedicated team members, community nonprofits, and the Company’s shareholders, recognizing their continuing support. Their trust and collaboration play a crucial role in the Company’s ongoing success and ability to provide exceptional financial services to our clients.
