

# Sign Up for Personal eStatements!

Explore the advantages of eStatements for your personal checking, certificates of deposit, savings, and loan accounts. eStatements contain the same information as paper statements with less clutter, more convenience, and higher security. This complimentary service is a best practice to secure and simplify your personal banking.

## Securely sign in and access your eStatements and eNotices anytime

### Multiple Accounts

Checking, savings, certificates of deposit, and loan statements and notices are all available online.

### Easy Online Access & Retrieval

Avoid misplaced statements and access eStatements whenever you need them.

### Easy to Sign Up

Paper statements and notices will be discontinued automatically when you enroll for eStatements.

### Immediately Available

Access your financial statements earlier, with no more waiting for the mail to arrive.

### Automatic Storage of Electronic Documents

Access up to 18 months of statements and notices, organized by account and date.

### Eco-friendly & More Secure

Replace your multi-page paper statement and notice with an electronic version to help to conserve natural resources and to be more secure than a mailed statement.

### Email Notifications

Receive email notifications to the Primary Accountholder when statements and/or notices are ready for viewing.
